## PRINCIPAL'S MESSAGE June 28, 2017

Well school is finally over. There are times in the year when this time seems a long way off and then all of sudden it's here and we wonder how we arrived here so quickly. It has been a very successful year in a number of areas. We have achieved strong results in our band and music programs, as well as our athletic and academic programs.

Many of these areas I have commented on in the last newsletter but at that time I did not have the actual total dollar value of our Gr. 12 scholarship and bursary winners. Our grads this year have won over \$300,000 in university and college scholarships and bursaries. Congratulations to our outstanding and hardworking grad class. What an accomplishment to all be proud of. We had an enjoyable afternoon on the last day for our grads to receive their grad yearbook inserts and to hangout in the parking lot for our tailgate party eating hotdogs and chips signing each other's year books. Other than a little noise making at the end it was a great time for our grads.

We had a very successful Year End Awards Ceremony Tues. evening in our gym. It was well attended by parents and students who took part in the dessert evening. It was great to see the winners of our awards as so many of our students worked so hard to excel. A big thank-you to our parents for supporting us, our teachers for their hard work at teaching and supporting the learning of our students and to our students for their hard work in their areas of success. A big thank-you to Mrs. Webster for organizing the evening and our Dept. Leaders for their involvement in handing out the awards.

Of interest I thought you may be interested in the fact that over 130 of our students here at ATSS have registered for summer school this year. This is the highest representation for all of the schools in the district. Kudos to our students for wanting to get ahead but I wanted to point out to you as parents that this does play a challenging role for our timetabling in the fall. Our courses for the timetable are all built based on the students' choices from March and April. For those of our students who successfully take a summer school course, this changes their course requirements but we cannot make adjustments to the timetable after the spring. This may result in your son or daughter not being able to get another course they want because it was placed in a position in the timetable based on these earlier selections. I thought you may be interested in this fact which does explain why there may be additional timetable challenges in the fall as your son or daughter may want to make changes but may well be limited.

Report cards should be ready for pick up on Tues. July 4. You can stop by the school and check in at the office for pick up. I want to wish all of our students and parent community a very enjoyable summer and other than our grads, we hope to see you all back next year.

Sincerely,  
Glen Hildebrand, Principal, ATSS

## **ATSS at the Run for Water 2017**

A great community event, that continues to grow each year, the Run for Water 2017 was the largest to date and ATSS had both runners and volunteers who participated!

### **VOLUNTEERS**

Self-directed Gr. 12 student Perry Sohi decided to get involved. He had heard about the event around the community, and thought it was a good cause. Perry was then selected as a team leader for recruiting and organizing other volunteers to man the parking lots, help direct traffic in the lots, open gates for school teams, and set up signs around the parking lots for the run. Perry was successful in recruiting Sachleen Rai, Jaspinder Chattu, Trishan Sandhu, Amanveer Khatkar, Tanveer Sidhu, Savreen Sohi, Simi Dhillon, and Simran Sohi. In total there were twelve parking lot attendants. Perry put in two or three hours of preliminary work before the event day, then was at the event from 5:30am - 2pm. Most volunteers put in between five and six hours of volunteer service on the race day. Some of our other volunteers were: Tyece Broad, Simran Grewal, Jessica Dhaliwal, Sanyjot Shergill, Jasleen Brar, Jasmine Aujla, Elisha Kainth, Tanjot Gill and Manreet Dhaliwal. Tyece commented that the event was well organized, the organizers were really nice and it was fun to cheer people on during the race. Simran Sohi said, "It was nice- people thanked us for volunteering!" Simran Grewal, Jasleen Brar, Tanjot Gill, Jessica Dhaliwal, Sanyjot Shergill, Manreet Dhaliwal, Elisha Kainth and Jasmine Aujla were part of the food prep and distribution group. Elisha stated, "This was the second year for me volunteering- the atmosphere was amazing with the runners coming in". Gr. 10 student Jessica Dhaliwal said this was her second year volunteering, so she knew what she was doing and she volunteered a

total of ten hours: four hours from 8:30-12:30 as greeter at UFV pre-race day and then 7:00 - 12:00 at Mill Lake doing food prep. Kudos to these students for getting up early and volunteering their time and efforts for a great cause. You are a credit to our school and our community!

### **RUNNERS**

We also had a number of runners competing in the Run for Water. Grade 10 Arjun Dhillon ran the 5km race in 26 minutes, stating that "I've volunteered at the Run for Water for a number of years, this year I decided I wanted to give the run a try". Mntaj Brar and Jasman Dhaliwal both ran the 5K as well in 27 and 30 minutes respectively. Mntaj said that "It was nice to see past teachers there from our elementary school days" and Jasman said that "It's cool to see how much the event has grown over the years!" Grade 12 student Taya Fast said, "I did the 5k fun run this past Sunday for Run4water. As a team, my work (Highstreet FV) ran together. We have actually been working with run4water for the past year, kick starting mini runs in schools and hosting events because we are one of their partners. It was great to have seen it all come together". Other runners included brother and sister Parmvir and Arshdeep Waring- **Parm, now in Gr. 12, finished the 5K in 17:59 minutes- first in his 17-19 age group and 4<sup>th</sup> overall for all males who completed the 5K race. Arshdeep, a Gr. 9 student, finished in 23:03 minutes- 2<sup>nd</sup> in her 14-16 age group and 7<sup>th</sup> overall for all females completing the 5K race. Impressive times!**

There were a number of ATMS teachers who also ran in the Run for Water. **Representing ATSS was Coach Cole and wife and late club monitor, Gerry running the 10 K and Mrs. Silzer who ran the half marathon (!!!!) in a time of 2:29, placing 11<sup>th</sup> out of 29 in her age category!!!**

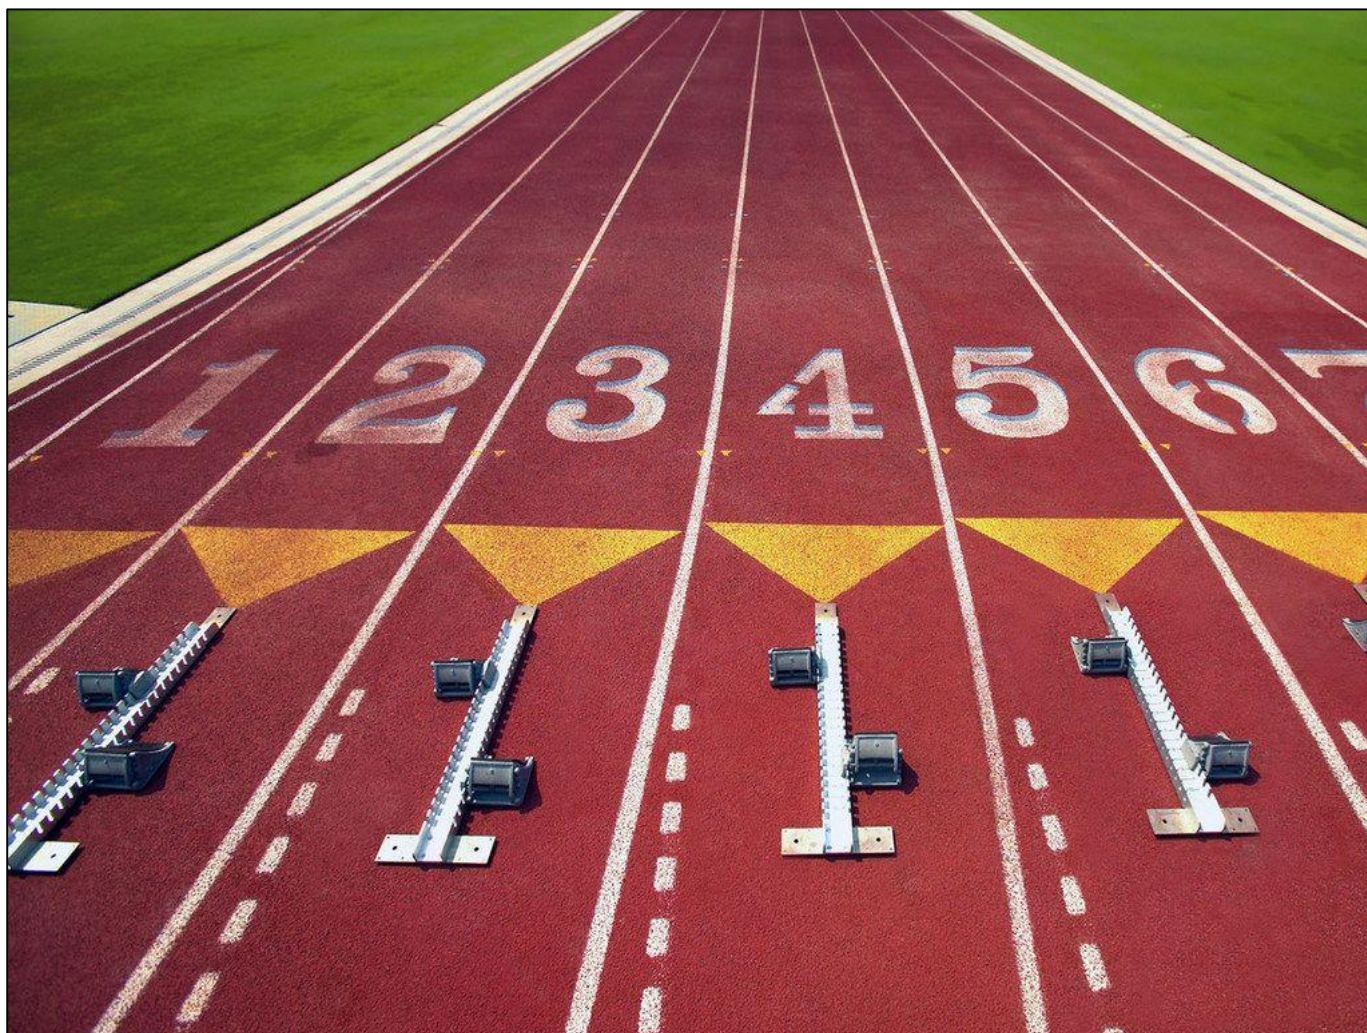

**GO TITANS, OUT AND ABOUT IN THE COMMUNITY~!**

A "Sibshop" is a lively celebration of the many contributions made by brothers and sisters of kids with special needs. Through a unique combination of information, games and activities, a Sibshop provides an opportunity for siblings to:

- ◆ Meet other brothers and sisters of children with special needs in a relaxed, recreational setting.
- ◆ Talk about common joys and concerns with others who know what it's like to have a brother or sister with a disability.
- ◆ Learn how others handle situations commonly experienced by siblings of children with special needs.
- ◆ Make new friends and have lots of fun!

Sibshops acknowledge that being the brother or sister of a person with special needs has both good parts and not-so-good parts. Brothers and sisters may have feelings that are difficult to express, even to a friend: sadness that a sister can't learn things that others take for granted, anger when a brother's behaviour problems prevent the family from doing things other families do, or the special pride when a sibling with a disability learns a basic but important life skill after months or years of practice. At a Sibshop, siblings can share these feelings with others who truly understand.

## Guru Ka Langar

Hello/Sat Sri Akal,

In previous years, parents of the graduating class have organized a Guru Ka Langar (prayers followed by a blessed traditional Indian vegetarian meal) at a local gurudwara to receive blessings for our graduating students.

A few parents have begun discussions around planning this event and would like to know which families would be interested in participating in these prayers of blessing. In order to make this event possible, we will be collecting donations from graduating students' families. If you are interested in participating, please contact one of the parents below.

Mrs. Sukhminder Dhaliwal (Jaskaran's parents) #778-549-7421

Mrs. Swaranjit Rai (Sachleen's Mom) #604-626-7820

Mrs. Hardeep Khosa (Puneet's Mom) #604-897-0221

Mrs. Ladhar (Sukhman's parents) #778-240-5097

Mrs. Kulvinder Hansra (Areet's Mom) #604-768-8385

Mrs. Anita Gill (Tyler's Mom) 778-552-0669

**The Gurdwara Sahib Khalgidhar Darbar has been reserved for Friday, June 30, 2017.**

These prayers are to bless all the Grads and all ATSS Grad families, teachers, administrative staff and custodians are invited.

Please feel free to email or call me or any of the parents above if you have any questions.

Thank you in advance,  
Anita
