Grade 8 students ... are you interested in being in Grade 8 Leadership? If so, be sure to pick up an application from Mrs Toews or your teacher. We are looking for four students from each POD. Our Grade 8's got to experience the new T-Rex Exhibition at Science World this week. Thank you to our Grade 8 teachers and parent volunteers for making this experience happen.

## REMINDER TO PARENTS

We are experiencing a large number of students being pulled out of school by parents at the last minute or without the student having prior knowledge resulting in the office staff and administrators having to disrupt class instruction to fetch students to the office.

To mitigate this, please make sure your child knows what time they need to be ready to go and either email the teacher or give your child a note to give to their teacher.

Parents also need to sign their child out so that we know who is picking them up and that they have left the premises in the event of an emergency. Please come into the office, call, or use Safe Arrival to sign your child out.
